# GET MOBILITY

## Indigenous Youth Mobility Pathways Project

### What Is The Project (IYMP)?

The Indigenous Youth Mobility Pathways Project supports Indigenous Youth (16-24yrs) from regional and remote areas the opportunity to relocate to specific major towns and cities to take up training and apprenticeship opportunities.

### Services Offered Through IYMP Adelaide:

- Individualised career planning
- Culturally supported accommodation
- Skills for Independence
- Study resources
- Transport to courses
- Financial support for transport
- Networking support
- Education support
- Incentives for successful course completions
- Vocational Placement & Employment support

### How To Apply:

To be eligible you must an Aboriginal and/or Torres Strait Island person between the ages of 16-24, have the support of your family/community to join the project and be committed to working with our project staff to establish and achieve your career goals. If you meet these criteria and are interested in the support offered through the IYMP project please contact:
