Turn your child's treasured memories into durable, high-quality melamine Pictureplates that will last a lifetime!

For a functional keepsake, a melamine Pictureclock or MDF Small Clock can be mounted on the wall to keep your child's precious artworks permanently on display. We are also offering a range of other products decorated with your child's artwork, such as plastic or ceramic mugs, water bottles and calendars.

Your child can use photos, markers, hand and footprints and paints to create their artworks, and you can order as many copies of your products as you'd like, so it's a fantastic gift idea for grandparents and family members. What will your child draw?
