SECTION J COOKERY

RICH FRUIT CAKE & GENOA CAKE COMPETITION

CLASS

43. **NO ENTRY FEE.**

EXHIBITORS OWN RECIPE IS TO BE USED AND CAKE IS NOT TO BE ICED.

There is no restriction on the ingredients used. As a general guideline the Geno Cake should contain Sultanas, Currants, Cherries and Almonds. Cake may be decorated with Almonds.

THE RICH FRUIT CAKE SEMI FINALS:

2021	Wilmington & Eudunda
2022	Clare & Crystal Brook

THE GENOA CAKE SEMI FINALS:

2021	Jamestown & Clare
2022	Crystal Brook & Burra

Contact the Secretary of the Shows listed for the Semi Finals for further information.

WHAT THE JUDGES ARE LOOKING FOR IN A RICH FRUIT AND GENOA CAKE.

Scores are allocated: 50% appearance - 25% texture - 25% taste/flavour

- **Appearance:** Smooth appearance on top, bottom and sides. No sign of shiny, dark, overheated fruit protruding from the surface. The cake should be firm, smooth, fresh and not too moist to touch but not too dry either. Preferably with a well ripened patina on the top.
- **Surface:** Straight sides and a smooth flat top showing even distribution of fruit.
- **Finish in Baking:** No bumps, hollows or sunken centers, not large cracks (a small crack is not a major fault). The cake should cut cleanly, without any crumbs and without catching and dragging of fruit. There should be no burning or crusty top or sides (caused by too hot an oven or insufficient papering). After the cake is cut, the fruit closest to the outside should not appear to be dark and shiny (caused by overcooking in too hot an oven). This fault causes a bitter flavour. No air bubbles in the finished cake.
- **Colour:** Attractive, even, Golden - Brown on the top, bottom and sides. A darker colour for the Rich Fruit Cake.
- **Texture:** Firm and fine, it should be moist, not soggy nor dry. The texture should be smooth and even and the same right through the cake. A well ripened cake cuts cleanly and evenly.
- **Flavour and aroma:** Delicious and should be a perfect blend of fresh eggs and dairy ingredients, sugar, essences, flour, spices, sherry or brandy and quality dried fruits. Beware of an overpowering flavour or aroma of essences, spices or the acrid smell of overheated fruit.
- **Decoration:** Do not decorate the Rich Fruit Cake with almonds. The Genoa Cake may be decorated with almonds.
- **Presentation:** Remove all paper from the cake before exhibiting. No cake cooler marks (cool on an upturned cake tin).

PRESIDENT'S REPORT FOR YEAR 2021

After a year of no Agricultural Shows whilst navigating the uncertainty surrounding Covid-19, it was a thrill to be able to 'Bring Back the Show' in 2021.

Many volunteer hours were put into organising a Covid safe show for the Community whilst still providing a great day out for all. There were times when the Committee wondered if we would have to cancel, but the planning continued.

All the usual competitions were well supported. It was an opportunity for the Horses in Action, Poultry handlers, Home Bakers and Crafters to practice their skills and show off their wares.

Some great entertainment was secured which would not have been possible without sponsorship from the local businesses and community, as well as grant funding from The Flinders Ranges Council and The National Recovery and Resilience Agency.

The crowd was entertained by Dinkum Dinosaurs, Tim Boulderstone (wood carver), James Magic Travelling Show and an array of show rides and stalls.

We acknowledged long term Committee Members (Bronwyn Filsell, Jenny Wooley and Amanda O'Loughlin) with Life memberships, which were presented by Jeff Morgan, OAM, who officially opened the 101st Show.

A great day had by all, perfect weather, perfect crowd.

Thankyou to everyone that continually support this event, The Flinders Ranges Council, local business, community members and the Committee, without which there would be no show.

Amanda O'Loughlin - President.
